

Product	Manufacturer	Description
Connectors	Connector Manufacturing Company (CMC)	CMC offers a full line of aluminum and copper connectors for overhead and underground applications.
	Penn Union	Penn Union produces electrical connectors, tools, and accessories.
	Thomas and Betts	Thomas and Betts makes various types of lighting, grounding and service connectors, compression connectors and tools, identification products, cable fastening systems, terminals, disconnects, and splices.
Equipment Pads & Boxes	Diversitech	Diversitech is a manufacturer of polymer concrete transformer and equipment pads.
	Maclean Highline	Maclean Highline is a manufacturer of fiberglass transformer box pads, switchgear pads, pull boxes, vaults, and fiberglass sectionalizing cabinets.
	NewBasis	NewBasis is a manufacturer of pads and below ground enclosures.
Grounding	Erico	Erico is a manufacturer of grounding, busbar, connectors, exothermic connections, and conductors for distribution, transmission and substations.
	Galvan Industries	Galvan Industries is a manufacturer of ground rods, clamps and connectors.
	Harger	Harger is a supplier of lightning protection and grounding equipment for the electrical industries.
Hardware	Alumaform	Alumaform offers industry-leading fiberglass, aluminum, and apitong wood products for the electric utility and communications industry.
	Barfield	Barfield produces a full line aluminum products including enclosures, equipment mounts, platforms, primary meter mounts, and transformer brackets.
	Kortick	Kortick is a manufacturer of poleline hardware for electrical distribution and transmission systems.
	Maclean Power Systems	MPS is a leading manufacturer of products used by utilities for building transmission and distribution lines and substations.
	Powerline Hardware	Powerline Hardware is a provider of distribution, hardware, insulators, cutouts, anchoring, and ground products.
Lighting	Acuity Lighting	Acuity Lighting is a manufacturer of security, roadway, and decorative lighting, lighting controls, and related products.
	Cooper Lighting	Cooper Lighting is a manufacturer of security, roadway, and decorative lighting, lighting controls, and related products.
	Cree	Cree is a manufacturer of security and roadway LED light fixtures.
	Excellence Opto	Excellence Opto is a manufacturer of security and roadway LED light fixtures.
	Phillips	Phillips is a manufacturer of security, roadway, and decorative lighting, lighting controls, and related products.
Metering	Brooks Utility	Brooks Utility is a manufacturer of meter seals, test switches, enclosures, adapters, and utility test equipment.
	Milbank	Milbank is a manufacturer of electric meter sockets and accessories.
	Two Sockets/Two Meters	TS/TM is a manufacturer of meter sockets and voltage transformers.
Poles	McFarland Cascade	McFarland Cascade is a supplier of wood distribution and transmission poles.
	TransAmerican Power Products	TAPP is a supplier of steel distribution and transmission poles.
	Valmont	Valmont is a supplier of steel and concrete distribution and transmission poles.

Product	Manufacturer	Description
PVC & Fittings	Cantex	Cantex is a manufacturer of nonmetallic electrical conduit, fittings, accessories, and directional boring conduit.
	Duraline	Duraline is a manufacturer of HDPE pipe, pull tape, couplers, lubricants, and sealants.
	Heritage Plastics	Heritage Plastics is a manufacturer of PVC conduit and fittings.
	NEC	NEC is a manufacturer of aluminum and rigid nipples, elbows, and couplings.
	Topaz	Topaz is a manufacturer of electrical conduit fittings.
Rubber Goods	Eaton	Eaton is a manufacturer of splicing and terminating electrical cables, rubber type products, and connectors.
	Richards Manufacturing	Richards Manufacturing makes connectors, network protectors, and medium voltage loadbreak and deadbreak pre-molded items.
	Tyco Electronics	Tyco Electronics is a manufacturer of connectors, URD splices and terminators, tapes and wildlife protection.
Safety	Cementex	Cementex is a supplier of hand tools, tool kits, sticks, hooks, meters, detectors, rubber shock protection, personal protective equipment, and storage.
	Hastings Fiberglass Products	Hastings produces hot sticks and accessories, grounding and jumper equipment, instruments, truck accessories, rigging equipment, and lifting equipment.
	W.H. Salisbury	W.H. Salisbury is a supplier of personal safety products: insulating rubber gloves, blankets, line hose, temporary grounding equipment, voltage detectors, clamp sticks, distribution dead-end insulators, plastic cover-up, and dielectric boots.
Switching & Automation	Eaton	Eaton produces medium voltage switchgear.
	S&C Electric	S&C Electric is a manufacturer of underground distribution switchgear, SCADA switching systems, and fault interrupters.
	Siemens Energy	Siemens Energy is a manufacturer of gas-insulated switchgear from 72.5kV to 550kV, long rod insulators, bushings, instrument transformers, and capacitors.
Transformers	Central Moloney	Central Moloney is a full line supplier of single phase polemount and padmounts, 3-phase padmounts, submersibles, and step transformers.
	Eaton	Eaton manufactures single phase polemount and padmounts, 3-phase padmounts, and substation transformers.
	Ermco	Ermco produces single phase polemount, padmounts, and 3-phase padmounts.
	Virginia Transformer	Virginia Transformer manufactures power transformers from 500kVa to 1,400 mVa.
	WEG	WEG manufactures distribution and power transformers.
Transmission & Substation	AFL	AFL produces fiber optic cable and accessories, substation connectors, vibration dampers, and transmission hardware.
	Sefcor	Sefcor is a manufacturer of substation power connectors and accessories.
	Travis Pattern	Travis Pattern is a manufacturer of substation connectors.
Wire and Cable	Alan Wire	Alan Wire is a manufacturer of copper and aluminum 600 volt wire and cable.
	Condumex	Condumex manufactures power cable and bare conductor.
	Kerite	Kerite products include transmission cable, medium voltage, EPR insulated, and primary cable.
	Nexans	Nexans is a manufacturer of bare conductor, secondary, and primary cable.
	Southwire	Southwire is a leading manufacturer of residential, commercial, industrial utility electrical wire and cable.
